Drop Box Rental Contract Additional Information and Extra Charges

- Drop box truck operation hours are 7am – 3:30pm, Monday – Friday.
- You must tell us where you would like to have the drop box placed. If you are not present and we cannot place the box in the area that has been given, or you did not tell us where to place the drop box, then our driver will determine the best location.
- You must contact our office, 1-day prior, for removal of the drop box.
- Driveways need to be truck accessible for drop box placement, delivery and removal. Dahl Disposal Service, Inc. is not responsible for any damage done to the property.
- Appliances and Tires must be placed at the rear end of the drop box and we must be informed if you have placed any of the above items in the drop boxes. If any of these items are found within or improperly placed, there will be a \$25.00 fee per item.
- Tire disposal fees \$3.00 off rim, \$5.00 on rim plus weight.
- Moving fee for coming back and moving drop box is \$107.50 per hour, Min. \$50.00
- Over loading boxes (over the sides) will result in an additional \$25.00 per yard fee. If the box is determined to be unsafe to haul down the highway due to overloading, you will be asked to unload the box to an even height with the sides.
- There is an 11-ton weight limit on all drop boxes. Customers will be responsible for any fines incurred, and a \$200.00 penalty for any overweight boxes.
- **Prohibited Items:** Stumps, Batteries, Hazardous Waste, Asbestos, Medical Waste, 55g barrels not completely drained.
