Drop Box Rental Contract - Additional Information and Extra Charges

- Drop box truck operation hours are 7am – 3:30pm, Monday – Friday.
- While we will make every attempt to place the container where you designate, if you are not there, or we are unable to place the container there, our driver will place the container in a location that is suitable.
- Please contact our office, 1-day prior, for removal of the drop box.
- Driveways need to be truck accessible for drop box placement, delivery and removal. Dahl Disposal Service, Inc. is not responsible for any damage done to the property.
- Please place Appliances and Tires at the rear end of the drop box and inform us if you have placed any of the above items in the drop boxes. If any of these items are found within or improperly placed, there will be a \$25.00 fee per item.
- Tires and appliances will include a disposal fee plus the weight charge.
- Once placed at your location, there is a moving fee for coming back and moving drop box.
- Boxes should not be loaded higher than the sides. This may result in an additional fee, and/or you may need to unload the box to acceptable height
- There is an 11-ton weight limit on all drop boxes. Customers will be responsible for any fines incurred, and a \$200.00 penalty for any overweight boxes.
- **Prohibited Items:** Stumps, Batteries, Hazardous Waste, Asbestos, Medical Waste, 55-gallon barrels.
 - **NOTE – ASBESTOS – State Law Requires -** All material that appears to be demolition related will require a clean asbestos survey from a certified asbestos testing facility before we can accept it. If it is determined that material from your drop box contains asbestos and no survey was provided, you agree to be responsible for asbestos abatement costs incurred by us on your behalf. (please note that these costs can be in the thousands of dollars).
